

# MAKE CHANDIGARH POLYTHENE FREE

POLYTHENE IS THE BIGGEST ENEMY OF HEALTH AND ENVIRONMENT

**“Chandigarh Administration has put complete ban on the manufacture and use of polythene/plastic carry bags with effect from 2nd October, 2008”**

No person including a shopkeeper, vendor, wholeseller or retailer, trader, hawker or rehriwala etc., shall use polythene/plastic carry bags for supply of goods in polythene/plastic carry bags. No person shall manufacture, store, import, sell or transport polythene/plastic carry bags in Union Territory, Chandigarh

**Stop Choking**

**Stop Killing**

**STOP CARRYING**

**Polythene bags are:**

- ☹ Killing animals and marine life
- ☹ Non-biodegradable
- ☹ Choking the drainage system
- ☹ Preventing ground water recharge

**Use cloth bags and jute bags which are:**

- ☺ Reusable and recyclable
- ☺ Eco-friendly
- ☺ Bio-degradable
- ☺ Non-poisonous

**Anyone manufacturing or using Polythene Bags after 2nd Oct 2008 may be fined and imprisoned**

**SAY NO TO POLYTHENE  
SAVE ENVIRONMENT**
